

I am a regular listener of K-LOVE, and am very encouraged and uplifted by the positive message that the music gives. If K-LOVE was to be displaced in our local community, we would not have any other options of commercial-free, Christian music. I feel that in the world today, there are so many negative things that we get bombarded by on TV and on the radio, that if one of the most positive and encouraging things, would get taken away, that would be a step backwards. K-LOVE is a very important part of my life!
